### ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

As of the date hereof, the Reporting Persons hold (i) 274,596 shares of the Issuer's Series A Preferred Stock that were purchased from the Issuer in a single transaction for an aggregate purchase price of \$274,596,000 and (ii) 75,404 shares of the Issuer's Series B Preferred Stock that were purchased from the Issuer in a single transaction for an aggregate purchase price of \$75,404,000. The funding for the purchase of the Series A Preferred Stock and the Series B Preferred Stock was obtained from the Investors' contributed capital.

### ITEM 4. PURPOSE OF THE TRANSACTION

The Investors acquired the Series A Preferred Stock and the Series B Preferred Stock for investment purposes pursuant to a securities purchase agreement entered into by the Investors and the Issuer on June 23, 2009 (the "**Purchase Agreement**"). The Series A Preferred Stock is immediately convertible into Common Stock of the Issuer and the holders of the Series A Preferred Stock are entitled to anti-dilutive protections with respect to the Issuer's securities. Dividends for the Series A Preferred Stock are payable quarterly at the per annum dividend rate of 10.00% of the liquidation preference, which is initially \$1,000 per share, and may, at the Issuer's option, be paid in cash or by increasing the liquidation preference of the Series A Preferred Stock. The dividend rate is subject to increase or decrease upon the occurrence of certain events that are more fully described in Item 6 and in the Certificate of Designations of the Series A Preferred Stock ("**Series A CoD**") filed with the Delaware Secretary of State on June 23, 2009 and filed herewith as Exhibit 7.4 and incorporated herein by reference.

Pursuant to the terms of the Investor Rights Agreement, entered into between the Investors and the Issuer on June 23, 2009 (the "**Investor Rights Agreement**"), the size of the Issuer's board of directors (the "**Board**") was increased by three directors and three designees, Raymond Svider, James Rubin and Justin Bateman, were appointed to fill the vacancies thereby created. In addition, the Investors have agreed to cause all of their Common Stock and Preferred Stock entitled to vote at any meeting of the Issuer's shareholders (i) to be present at such meeting and (ii) to vote all such shares (x) in favor of any nominee or director nominated by the Issuer's Corporate Governance and Nominating Committee, (y) against the removal of any director nominated by the Issuer's Corporate Governance and Nominating Committee and (z) in accordance with the recommendation of the Board with respect to any other business or proposal (except with respect to the approval of any proposed business combination between the Issuer and another entity). For further information, see Item 6 and the Investor Rights Agreement filed herewith as Exhibit 7.3 and incorporated herein by reference.

Each Investor has agreed, pursuant to the Investor Rights Agreement, to customary standstill provisions, which are applicable to purchases of the Issuer's debt and equity and include prohibitions on hedging activities, until the later of (i) three years after June 23, 2009 and (ii) such time as the Investors own, in the aggregate, less than 3% of the outstanding Common Stock (assuming full conversion of the Preferred Stock). For further information, see the Investor Rights Agreement filed herewith as Exhibit 7.3 and incorporated herein by reference.

Except as disclosed in this Item 4, none of the Investors nor any of the other Reporting Persons has any current plans or proposals which relate to or would result in any of the events described in clause (a) through (j) of the instructions to Item 4 of Schedule 13D. The Reporting Persons, however will take such actions (including any actions deemed to be taken by exercise of rights with respect to Board approvals as provided for in the Investor Rights Agreement filed herewith as Exhibit 7.3 and incorporated herein by reference and as set forth in Item 6) with respect to the Reporting Persons' investments in the Issuer as deemed appropriate in light of existing circumstances from time to time and reserve the right to acquire or dispose of securities of the Issuer, to enter into hedging transactions with respect to such securities (to the extent permitted under the terms of the Investor Rights Agreement, the Purchase Agreement, the Series A CoD and the Certificate of Designations of the Series B Preferred Stock ("**Series B CoD**") filed with the Delaware Secretary of State on June 23, 2009) or to formulate other purposes, plans or proposals in the future depending on market conditions and/or other factors.

### ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

**ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER**

*Purchase Agreement*

Pursuant to the Purchase Agreement, the Issuer issued and sold 274,596 shares of Series A Preferred Stock and 75,404 shares of Series B Preferred Stock to the Investors for an aggregate purchase price of \$350 million. In connection with its entry into the Purchase Agreement, the Issuer also paid a funding fee of \$3.5 million and reimbursed the Investors \$2 million to cover their reasonable out-of-pocket expenses.

The forgoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to such agreement, which is filed herewith as Exhibit 7.1 and incorporated herein by reference.

*Series A Preferred Stock*

Each share of Series A Preferred Stock is immediately convertible, at the option of the holder, into 200 shares of Common Stock, representing an initial conversion price of \$5.00. Thereafter, each share of Series A Preferred Stock will be convertible into the number of Common Shares equal to the quotient of (i) the sum of the liquidation preference plus any accrued but unpaid dividends not previously added to the liquidation preference and (ii) 1,000 multiplied by the then applicable conversion rate. The conversion rate is subject to various customary anti-dilution adjustments as more fully described in the Series A CoD filed herewith as Exhibit 7.4 and is incorporated herein by reference.

<sup>6</sup> The calculation of the number of shares of Common Stock set forth above is based upon the conversion rate of the Series A Preferred Stock into Common Stock as of the date of purchase (June 23, 2009), which conversion rate is subject to change as set forth in Item 6 and the Series A CoD filed herewith as Exhibit 7.4 and incorporated by reference hereto.

Dividends for the Series A Preferred Stock accrete daily and are payable quarterly at the per annum dividend rate of 10% of the liquidation preference, which is initially \$1,000 per share. At the Issuer's option, dividends are payable in cash or by increasing the liquidation preference of the Series A Preferred Stock. In the event that the shares of the Series A Preferred Stock are converted into the Common Stock, the conversion rate will be adjusted to reflect that amount of dividends that have accreted since the last quarterly payment. After June 23, 2012, the dividend will be reduced to (i) 7.87% if the closing price of the Common Stock is greater than or equal to \$6.62 per share for a period of 20 consecutive trading days or (ii) 5.75% if the closing price of the Common Stock is greater than or equal to \$8.50 per share for a period of 20 consecutive trading days. The Series A Preferred Stock also participates in dividends declared and paid on the Common Stock in accordance with the Series A CoD.

The Series A Preferred Stock is redeemable, in whole or in part, at the option of the Issuer (i) any time after June 23, 2012 or (ii) any time after June 23, 2011 that the closing price of the Common Stock is greater than or equal to \$9.75 per share for a period of 20 consecutive trading days, in each case subject to the right of the holder to first convert the shares of Series A Preferred Stock that the Issuer proposes to redeem. The Series A Preferred Stock is redeemable at the option of the holder upon the occurrence of certain fundamental changes to the Issuer, including a change of control, delisting on certain exchanges or certain bankruptcy events.

The holders of the Series A Preferred Stock are entitled to vote with the holders of the Common Stock on an as-converted basis, subject to any limitations imposed by any NYSE stockholder approval requirements. For so long as the Investors or their affiliates collectively own any shares of the Series A Preferred Stock and the Investors' "**Ownership Percentage**" (as that term is defined in the Investor Rights Agreement filed herewith as Exhibit 7.3) is greater than or equal to 10%, then, subject to certain exceptions, the affirmative vote of at least a majority of the shares of Series A Preferred Stock then outstanding and entitled to vote is required for (i) the declaration or payment of a dividend or distribution on the Common Stock or any other stock that ranks junior to or equally with the Series A Preferred Stock; (ii) the purchase, redemption or other acquisition by the Issuer of any Common Stock or other stock ranking junior to or equally with the Series A Preferred Stock; (iii) any amendment of the Issuer's Certificate of Incorporation or the Series A CoD so as to adversely affect the relative rights, preferences, privileges or voting powers of the Series A Preferred Stock; or (iv) the authorization or issuance of, or reclassification of securities into, any capital stock that would rank senior to or equally with the Series A Preferred Stock.

The foregoing description of the Series A Preferred Stock does not purport to be complete and is qualified in its entirety by reference to the Series A CoD, which is filed herewith as Exhibit 7.4 and is incorporated herein by reference.

#### *Series B Preferred Stock*

Schedule I filed herewith and incorporated herein by reference, sets forth each Investor's ownership of Series B Preferred Stock. Upon the approval of the holders of the Common Stock, each share of Series B Preferred Stock will be convertible into the number of Common Shares equal to the quotient of (i) the sum of the liquidation preference plus any accrued but unpaid dividends not previously added to the liquidation preference and (ii) 1,000 multiplied by the then applicable conversion rate. The conversion rate is subject to customary anti-dilution adjustments more fully described in the Series B CoD filed herewith as Exhibit 7.5 and is incorporated herein by reference. The Series B Preferred Stock would represent an ownership interest, assuming conversion of the Series B Preferred Stock to the Issuer's Common Stock as of the date of purchase, of approximately 5.39%.

Dividends for the Series B Preferred Stock accrete daily and are payable quarterly at the per annum dividend rate of 10% of the liquidation preference, which is initially \$1,000 per share. At the Issuer's option, dividends are payable in cash or by increasing the liquidation preference of the Series B Preferred Stock. The dividend will increase if the holders of the Common Stock do not approve the conversion of the Series B Preferred Stock within certain timeframes. The dividend rate will increase to 15% if such approval is not obtained within 180 days after the closing; 17.125% if such approval is not obtained within 270 days after the closing; and 19% if such approval is not obtained within 360 days after the closing. On the other hand, on or after June 23, 2012, the dividend will be reduced to (i) 7.87% if the closing price of the Common Stock is greater than or equal to \$6.62 per share for a period of 20 consecutive trading days or (ii) 5.75% if the closing price of the Common Stock is greater than or equal to \$8.50 per share for a period of 20 consecutive trading days. The Series B Preferred Stock also participates in dividends declared and paid on the Common Stock in accordance with the Series B CoD.

The Series B Preferred Stock is redeemable, in whole or in part, at the option of the Issuer (i) any time after June 23, 2012 or (ii) any time after the later of (y) the approval of the holders of the Common Stock of the conversion of the Series B Preferred Stock and (z) June 23, 2011, if the closing price of the Common Stock is greater than or equal to \$9.75 per share for a period of 20 consecutive trading days, in each case subject to the right of the holder to first convert the shares of Series B Preferred Stock the Issuer proposes to redeem. The Series B Preferred Stock is redeemable at the option of the holder upon the occurrence of certain fundamental changes to the Issuer, including a change of control, delisting on certain exchanges or certain bankruptcy events.

If the holders of the Common Stock have not approved the conversion of the Series B Preferred Stock by June 23, 2014 then upon the approval of the holders of a majority of the outstanding Series B Preferred Stock, any holder of the Series B Preferred Stock will be able to require the Issuer to repurchase all or any part of such holder's shares of Series B Preferred Stock. If the Issuer fails to repurchase such Series B Preferred Stock due to contractual limitations in the Issuer's debt documents, then for so long as the Issuer fails to satisfy its repurchase obligation, the size of the Board will be automatically increased by two directors and the holders of a majority of the outstanding Series B Preferred Stock will be entitled to elect two people to the Board, voting as a separate series to the exclusion of both the holders of the Series B Preferred Stock and the holders of the Common Stock.

Prior to the approval of the conversion of the Series B Preferred Stock by the holders of the Common Stock, the Series B Preferred Stock is not entitled to vote. At any time after the approval of the conversion of the Series B Preferred Stock by the holders of the Common Stock, the holders of the Series B Preferred Stock are entitled to vote with the holders of the Common Stock on an as-converted basis. For so long as the Investors or their affiliates collectively own any shares of the Series B Preferred Stock and the Investors' Ownership Percentage is greater than or equal to 10%, then, subject to certain exceptions, the affirmative vote of at least a majority of the shares of Series B Preferred Stock then outstanding and entitled to vote is required for (i) declaration or payment of dividend or distribution on the Common Stock or any other stock that ranks junior to or equally with the Series B Preferred Stock; (ii) the purchase, redemption or other acquisition by the Issuer of any Common Stock or other stock ranking junior to or equal with the Series B Preferred Stock; (iii) any amendment of the Issuer's Certificate of Incorporation or the Series B CoD so as to adversely affect the relative rights, preferences, privileges or voting powers of the Series B Preferred Stock; or (iv) the authorization or issuance of, or reclassification into, any capital stock that would rank senior to or equal with the Series B Preferred Stock.

The foregoing description of the Series B Preferred Stock does not purport to be complete and is qualified in its entirety by reference to the Series B CoD, which is filed herewith as Exhibit 7.5 and incorporated herein by reference.

#### *Investor Rights Agreement*

On June 23, 2009, the Issuer, BC Partners, Inc. (as Investor Representative) and the Investors entered into the Investor Rights Agreement.<sup>7</sup> Under the terms of the Investor Rights Agreement, the Investors are entitled to nominate three directors to the Board for so long as the Investors' Ownership Percentage is equal to or greater than 15% of the outstanding Common Stock (assuming full conversion of the Preferred Stock). If the Investors' Ownership Percentage is less than 15% but more than 10%, the Investors are entitled to nominate two directors to the Board and if the Investors' Ownership Percentage is less than 10% but more than 5%, the Investors are entitled to nominate one director to the Board. The Investors are given certain other rights if their Ownership Percentage is equal to or greater than 10%, which are described more fully in the Investor Rights Agreement filed herewith as Exhibit 7.3 and incorporated herein by reference.

<sup>7</sup> BC Partners, Inc. is an affiliated entity of each of the Reporting Persons and provides investment advisory services to each such Reporting Person. BC Partners, Inc. has no discretionary authority with respect to the investment decisions of any of the Reporting Persons.

Pursuant to the terms of the Investor Rights Agreement, the size of the Board was increased by three directors and the designees Raymond Svider, James Rubin and Justin Bateman were appointed to fill the vacancies thereby created. Subject to satisfaction of requirements for service and confirmation by the Corporate Governance and Nominating Committee of their appointment, Raymond Svider was appointed to the Compensation Committee, James Rubin was appointed to the Corporate Governance and Nominating Committee and Raymond Svider and James Rubin were appointed to the Finance Committee.

Pursuant to the terms of the Investor Rights Agreement, for so long as the Investors' Ownership Percentage is equal to or greater than 10%, (assuming full conversion of the Preferred Stock) certain actions require the approval of at least 66-2/3% of the Board including: (i) the incurrence of any "**Indebtedness**" (as that term is defined in the Investor Rights Agreement filed herewith as Exhibit 7.3) in excess of \$200 million in the aggregate during any fiscal year (subject to certain exclusions); (ii) the sale, transfer or other disposition of assets or businesses of the Issuer or its subsidiaries with a value in excess of \$50 million in the aggregate during any fiscal year, (subject to certain exclusions); (iii) the acquisition of any assets or properties in one or more related transactions for cash or otherwise for an amount in excess of \$50 million in the aggregate during any fiscal year, excluding acquisitions of inventory and equipment in the ordinary course of business; (iv) capital expenditures in excess of \$30 million individually (or in the aggregate if related to an integrated program of activities) or in excess of \$275 million in the aggregate during any fiscal year; and (v) making, or permitting any subsidiary to make, loans to, investments in, or purchasing, or permitting any subsidiary to purchase, any stock or other securities in another corporation, joint venture, partnership or other entity in excess of \$50 million in the aggregate during any fiscal year.

For so long as the Investors' Ownership Percentage is equal to or greater than 10% (assuming full conversion of the Preferred Stock), the approval of at least one of the members of the Board who was nominated for election to the Board by the Investors is required to increase the size of the Board beyond 14 directors or to incur Indebtedness for borrowed money in excess of \$200 million in the aggregate during any fiscal year (subject to certain exceptions). Additionally, for so long as the Investors or their affiliates (including commonly controlled or managed investment funds) or any direct or indirect owner of the Investors or their affiliates own any shares of the Preferred Stock, certain actions of the Issuer will require the approval of BC Partners, Inc., as Investor Representative, including, under certain circumstances, the issuance of (i) convertible debt that is by its terms convertible into capital stock of the Issuer, (ii) preferred stock or (iii) options or warrants to acquire preferred stock.

The Investors have agreed to cause all of their Common Stock and Preferred Stock entitled to vote at any meeting of the Issuer's shareholders to be present at such meeting and to vote all such shares in favor of any nominee or director nominated by the Issuer's Corporate Governance and Nominating Committee, against the removal of any director nominated by the Issuer's Corporate Governance and Nominating Committee and, with respect to any other business or proposal, in accordance with the recommendation of the Board (other than with respect to the approval of any proposed business combination agreement between the Issuer and another entity).

The Investors are subject to customary standstill provisions, which are applicable to purchases of debt as well as equity securities and include prohibitions on hedging activities, until the later of (i) three years after the Closing and (ii) such time as the Investors own less than 3% of the outstanding Common Stock (assuming full conversion of the Preferred Stock). The Investor Rights Agreement also requires that, for so long as the Investors' Ownership Percentage is equal to or greater than 10% of the outstanding Common Stock, if the Issuer proposes to offer any equity or equity linked security to any person, then the Issuer must first offer the Investors the right to purchase a portion of such securities equal to the Investors' Ownership Percentage.

The foregoing description of the Investor Rights Agreement does not purport to be complete and is qualified in its entirety by reference to such agreement, which is filed herewith as Exhibit 7.3 and incorporated herein by reference.
