Explanation of Responses:

- $1. \ Represents \ number \ of \ shares \ beneficially \ owned \ as \ of \ February \ 27, \ 2004, \ based \ on \ information \ from \ plan \ administrator.$
- 2. Each phantom stock unit is equal in value to one share of the company's common stock.
- 3. Vested in participant stock units (and related dividend equivalent stock units) at all times. Company matching stock units (and related dividend equivalent stock units) vest as follows: (a) 100% upon participant's death, disability, or early or normal retirement; (b) 100% upon a change in control of the company; (c) 100% upon involuntary termination for reasons other than disciplinary reasons or termination as a result of the sale or permanent closure of a company facility, operating unit, or division; and (d) 20% on each anniversary of the date account was first credited with stock units under the plan. 20% is cumulative -- after 5 years, participant is completely vested in all stock units in his or her account, including any stock units allocated to the account in the future.
- 4. Shares of phantom stock are payable in shares of common stock in accordance with the participant's Deferred Compensation Distribution Election Agreement, except in the case of a change in control, in which case payment may be made in either cash or stock.

Remarks:

George J. Harad
