Explanation of Responses:

1. Represents number of shares beneficially owned as of November 28, 2003, based on information from plan administrator.

2. Each phantom stock unit is equal in value to one share of the company's common stock.

3. Vested in participant stock units (and related dividend equivalent stock units) at all times. Company matching stock units (and related dividend equivalent stock units) vest as follows: (a) 100% upon participant's death, disability, or early or normal retirement; (b) 100% upon a change in control of the company; (c) 100% upon involuntary termination for reasons other than disciplinary reasons or termination as a result of the sale or permanent closure of a company facility, operating unit, or division; and (d) 20% on each anniversary of the date account was first credited with stock units under the plan. 20% is cumulative -- after 5 years, participant is completely vested in all stock units in his or her account, including any stock units allocated to the account in the future.

4. Shares of phantom stock are payable in shares of common stock in accordance with the participant's Deferred Compensation Distribution Election Agreement, except in the case of a change in control, in which case payment may be made in either cash or stock.
